

## Overview

Our identity at a glance contains the basic elements in our visual system: our logos, color palette, typography, iconography, and information graphic styles, along with photography style and suggested subject matter and merchandise ideas. Each element is designed to work in harmony with the others, while providing flexibility within a framework. When combined, they clearly convey our active leadership, our persevering spirit, and our compassion. Please use this condensed guide in conjunction with the full guidelines available at [www.rotary.org](http://www.rotary.org).
